

Seattle RESTORED

We're Seeking Property Partners to Participate in Seattle Restored!

In PHASE 1 of the Seattle Restored program, we activated 30 vacant storefronts with engaging pop-up shops and art installations from local entrepreneurs, artists, and manufacturers in Seattle's Downtown neighborhoods. For PHASE 2 of the program, we will activate an additional 45 vacant storefronts, moving beyond the Downtown core to include neighborhoods throughout Seattle.

This project is designed to benefit neighborhoods, small businesses, artists, and property owners by creating vibrant and engaging streetscapes that encourage the public to visit the diversity of Seattle's neighborhoods and support local businesses.
